Case No.: 20-cr-418 (BRM)

DOCUMENTATION ON
UNCHARGED ALLEGED
VICTIMS' FALSE
OF VIOLENCE
SEXUAL ASSAULTS
ALLEGATIONS

Dear Judge Martinotti,

As you are aware, only 8 escorts/prostitutes make false allegations of violence, 7 of which, are presented by Sher Tremonte, AUSA Emma Spiro's former employer; former supervisor and partner of the firm; Noam Biale; and Anna Estevao, associate, who reports to Noam Biale. The 8 escorts that make false allegations of violence are the following:

Lindsey B. [Count 1] – Represented by Sher Tremonte

Katherine L. [Count 2] – Represented by Sher Tremonte

Chelsea L. [Count 3] – Represented by Sher Tremonte

Anna T. [Count 4] – Represented by Sher Tremonte

Refer to Torres' Sentencing Memorandum for all the lies that were made by the four charged prostitutes. Over 90 lies. Torres' Sentencing Memorandum for Defendant Jose Torres which was submitted to the Court on or about June 12, 2024.

Alleged Uncharged Victims

Allison – Represented by Sher Tremonte

Abigail, also known as Abby – Represented by Sher Tremonte

Jade – Represented by Sher Tremonte

Orysia – Not Represented by Sher Tremonte

Since I was not giving an opportunity to address the uncharged victims' allegations of violence during sentencing or any of the charged prostitutes I am addressing them via this letter.

Allison

Although the Government's false claims that in April 2014 that Torres sexually assaulted her, the Government provides no evidence of Torres assaulting her. The 302 report [bates #470016R-4700022R] does not even mention that she was sexually assaulted or molested. The Government provides no evidence by way of a rape kit, no police report, no bruises, no medical report, absolutely nothing. Allison also never wrote an impact statement nor did she come to testify at trial or during sentencing. Although Allison spoke to Federal law enforcement, she also informed them that she does not feel comfortable giving agents her address.

Abigail aka Abby

Although the Government's false claims that in the summer of 2019 that Torres "became aggressive" and frightened her into complying with his

sexual demands, the Government once again provides no evidence of Torres sexually assaulting her. The Government provides no evidence by way of a rape kit, no police report, no bruises, no medical report, absolutely nothing to validate their claims. Abigail also never wrote an impact statement nor did she come to testify at trial or during sentencing. Abigail also never wrote an impact statement nor did she come to testify at trial or during sentencing. When Abigail went to Planned Parenthood according to the 302 report [bates#18902R – 18093R], Planned Parenthood asked her if she wanted to pursue charges and “she refused” – a sign that she was not sexually assaulted. A year later, coincidentally Abigail speaks with federal law enforcement. The FBI and DHS once Sher Tremonte was involved in the civil and criminal case against Torres.

According to the 302 report, the FBI/DHS stated in their 302 report that Abigail said Torres gave her a \$70,000 check, that statement is false as there are no cancelled checks in Torres’ discovery that Torres gave her such a check. She lied.

It is true that Abigail went to a family event with her friend and her mother’s friend. The FBI/DHS forgot to mention that Abigail sent Torres a picture of her at dinner. Abigail’s friend took the picture of Abigail at a dinner table with Abigail’s mother to the right. This is also a sign that Abigail was not sexually assaulted. Who would send a picture within hours after leaving their sexual assailant? That makes no sense. This type of behavior is not consistent with someone that has been sexually assaulted.

Jade

Although the Government's false claims that "in December 2017...Torres sexually assaulted her", the Government once again provides no evidence by way of a rape kit, no police report, no bruises, no medical report, absolutely nothing to validate her claims. Although she stated per the 302 report that she saw a gun and that it was in the glove compartment of Torres' car however she could not describe the gun because she said she is unfamiliar with guns. The interesting part is that Torres has never owned a gun and never had a gun in his car much less the glove compartment of his car. Although Jade states that Torres kicked in her vagina, she provides no pictures of bruises, medical report, or police report to validate her claims. Abigail also never wrote an impact statement nor did she come to testify at trial or during sentencing.

Orysia

Although the Government's false claims that "in December 2019...Torres forced her with threats to succumb to his sexual demands...", the Government once again provides no evidence by way of a rape kit, no police report, no bruises, no medical report, absolutely nothing to validate her claims. In addition, the Government's false claims are contradicted by Orysia' and Torres' text messages where she is inviting Torres to have sex with her before having dinner and responds "absolutely" and later tells Torres that he took too long to come back from checking on his car and writes "hahaha you took too long" and that she is going to change into lingerie with

him and later on tells Torres "Thank you. I am really glad I live up to your expectations".

See picture of text message conversation between Orysia and Torres from page 1402 and 1403 below.

The complete conversation of Torres' text messages has been attached as part of Appendix A. There is a total of 49 pages of text messages in Appendix A. The number that Torres used to communicate with Orysia was 917-957-0045. Clearly, there is no violence and Orysia and/or the Government lied. The 302 report is full of lies.

Respectfully Submitted,

Jose Torres

I have never been in a daddy relationship... I think I would only prefer it if it was with the right person. With straight escorting, likely I will never see that person again which could be a good thing if I don't like them much. But if we get along, then I would be open to a daddy relationship. I haven't experienced that before likely because I tend to want to be in control of when I interact with someone.
